Notes

1. Additional units, worktops etc. can be designed and added into quotation at special trade kitchen prices.
2. No extractor/hood or appliances are included in the price, Kitchen Sales & Design consultants can price separately, or customer can supply their own.

- The customer needs to bring in the sizes of walls as home appointments are not included. Customer should measure each individual wall, window, and doors to allow Design Sales consultant to supply design that suits customers home.

Below is a guide showing room measurements of walls, doors, window and information required when calling at HHI for a September Only Trade Kitchen Special.

Sample Sketch Measure your Kitchen dimensions, dont forget any doors and Windows
